

# LEVEL UP

At Classic Image Dance we offer a range of opportunities, outside of regular classes, for students to Level Up their commitment & training. Each opportunity is available at different stages in a student's dance journey. These programs have been created with CID's mission at the forefront, allowing students to foster personal & academic growth through lessons & opportunities, inside & outside of the studio.

If your dancer is interested in elevating their CID experience, please scan the QR code on this page to fill out a Level Up interest form & a CID team member will reach out to you with next steps.

# CID Student Apprentice

The CID Student Apprentice program is a 2-year program available to dancers 14-18 years old who have been students at CID for at least 4 years. The Apprentice program provides students with the opportunity to take classes, be an assistant and learn basic business & customer service skills. Through this program, it is our goal to enhance the growth of the dancer inside the classroom, and also to prepare them for life experiences; to teach responsibility, build self-esteem and encourage them to be the best they can be. The Apprentice Program will help to prepare your child for college and a career, whether or not that career is dance- or education-related.
