## **Mid-Season Holiday Progress Showcase**

*Every student will participate in our mid-season Holiday Progress Showcase in November. This delightful event celebrates the achievements of our dancers and is designed to highlight the progress made by each child during the first part of the dance season. The individual class performances will be shorter in length, allowing us to focus on technique and the foundational skills learned in class. Performance is an integral part of our dance curriculum, and the Holiday Showcase ensures each dancer has the opportunity to shine on stage while continuing to develop their abilities, gives them a place to strengthen their confidence and showcase their dedication. We invite family and friends to come and enjoy an afternoon filled with joy, talent, and holiday spirit. Your support and encouragement as parents means the world to your young performer as they continue their dance journey. Don't miss this opportunity to witness their progress and celebrate the season with us!*

### **Details:**

- Date: TBA - weekend before Thanksgiving
- Ticketed event - \$15-\$18/person
- No costumes or extra fees required
- Dancers wear class dress code with studio provided accessories

## 2025-26 Recital Extravaganza *"On Broadway"*

Each class, with the exception of our Tech & Pre-Pointe classes, participates in the culmination & celebration of their hard work, at our Recital Extravaganza. The excitement, memories, and moments that surround that big day are unforgettable! Along with that excitement, come the life lessons that go far beyond the stage. Many think the recital IS the moment they work for....recital is the passthrough of celebration to live the real-life lesson of celebrating progress. While for some, it is a seasonal celebration, for most it is a moment from their first applause to their final senior bow, anchoring a place in their hearts all through their school years. Progress and growth don't happen overnight, they take time and we know time is the most precious thing we can spend together, so days like **recital day** are definitely CORE memories in our book!
