

Early Childhood Programs

Creative Ballet & Tiny Tap/Jazz classes are a child's first steps into the dance world. Each small group experiences a series of creative activities that are designed to encourage imagination, gross and fine motor skills, musicality and spatial awareness. Terminology, improvisation and character work are all introduced through magical fairy tales and classic children's stories. Dance and Music Centre classes lay the foundation for future study while at the same time being careful not to over stress a young body.

Children / Teen & Adult Programs

Offered in Ballet, Pointe, Jazz, Hip Hop, Lyrical, Tap, Contemporary, Afro-Jazz, and Musical Theatre. All classes have graded levels to build a strong vocabulary of technique, enabling students to progress, elevating self esteem, body awareness and a love of dance.

Ballet classes are built upon excellence established by the Royal Academy of Dance, an organization with over 100 years of dedication to quality in Ballet education. The Academy's syllabus is known world-wide for being particularly sensitive to the training of young children. Students develop confidence and a sense of movement especially with the use of Free Movement and Character work, while also benefiting from strong classical training. Optional examinations are held yearly and participating students may eventually become

members of the Academy. Pointe, pas de deux and repertoire are also included in the well rounded Ballet training offered. Our innovative Jazz and Tap classes are on the cutting edge combining classic techniques with today's latest styles. Afro, Lyrical, Musical Theatre, Hip-Hop and traditional classes are incorporated to give the student the most exciting, versatile, and extensive training available.

Classes / Make-Ups

The Dance and Music Centre follows the Fairfield School System Calendar (exceptions are noted in the Dance and Music Centre calendar). All make up classes must be taken prior to May 1st and must be taken in the same level class or lower. Our faculty are very active as choreographers, performers, & teachers and may be called away due to their artistic pursuits. The Dance and Music Centre will substitute with equally talented professionals. There must be a minimum of five students in attendance for a class to be held (10 for performance classes). Dance and Music Centre reserves the right to cancel or combine classes due to insufficient registration.

No credits or refunds are applied for missed classes, snow days, or holidays. Make ups are available for missed classes at the same or lower level. If a dancer drops a class prior to November 1st, the prorated balance (less the registration fee and a \$25 cancellation fee) will be held as a credit on the account to be used within one year. There is no refund or credit for classes dropped after Nov. 1st. Music lessons require 30 days notice for cancellation. Absences must be called in before scheduled class.
