Artist of the Month

Dolly Parton

Dolly Rebecca Parton was born the fourth of twelve children on January 19, 1946. She grew up in a one-room cabin on the banks of the Little Pigeon River in Pittman Center, Tennessee. Her earliest public performances were in the church, beginning at age six. At seven, she started playing a homemade guitar. When she was eight, her uncle bought her her first real guitar. Her first album debut in 1967 was "Hello, I'm Dolly," which led to success during the remainder of the 1960s. With a career spanning over fifty years, Parton has been described as a "country music legend" and has sold more than 100 million records worldwide, making her one of the best-selling female artists of all time.
