The background is a deep red color, densely populated with yellow stars of various sizes. In the top-left and top-right corners, there are pairs of theatrical masks: one orange with a smiling face and one black with a sad face. A large, rectangular sign with rounded corners is centered in the image. The sign has a thick red border decorated with a row of glowing yellow circular lights. The interior of the sign is a light cream color.

TEACHER SPOTLIGHT

Austin Blanchard

Austin teaches guitar, ukulele, bass, and drums. He grew up in a family of musicians, so becoming a musician was something he viewed as a very normal thing. As an adolescent, he loved to listen to Led Zeppelin, Jimi Hendrix, and Queen of the Stone Age. He's been teaching at NSM for more than 10 years. In addition to teaching, he also plays in a cover band, is a recording artist at local studios, and is a professional stagehand at Thunder Valley and other production companies. Austin is proficient in all genres of music, from jazz to meta to everything in between. [Click here](#) to check him out on YouTube!

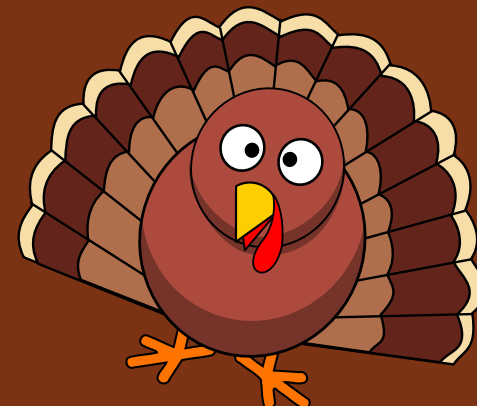

NOVEMBER STUDENT SPOTLIGHT

Sammy

Sammy plays guitar and has been taking lessons from the awesome Mr. Austin since March 2022. Sammy especially enjoys playing rock music.

Sammy is in high school and is a great student. He is the captain of his school's eSports competition team, for which he has been awarded a Varsity letter. In his spare time, he looks for ways to help others. In addition, he loves hanging out with friends and playing Dungeons and Dragons. After high school, he plans on attending UC Davis or Cal Poly Humboldt State University, where he'll be studying mechanical engineering.

Artist of the Month

Celine Dion

Céline Marie Claudette Dion was born on March 30, 1968, in Canada. By 18, she had recorded nine French albums and won numerous Felix and Juno awards, the Canadian equivalent of a Grammy Award. In 1988, she won the Eurovision Song Contest in Dublin, and her performance was broadcast live in countries throughout Europe, the Middle East, Australia, and Japan.

She recorded her first English-language album, Unison, in 1990. Like most of her English-language albums, it was a collaboration with the songwriter-arranger-musician David Foster. Unison sold more than one million copies worldwide. This was only the beginning of so many more beautiful ballads to come from “Beauty and the Beast”, with Peobe Bryson, to “My Heart Will Go On” (from the movie Titanic), which she completed in one take!
