STUDENT SPOTLIGHT

ELIANA - ALEXANDER - CLAUDIA

Eliana

Eliana has been taking lessons since 2019. She began her musical journey with voice, transitioned to piano, and recently began cello lessons. Her passion for music and Taylor Swift in particular is only matched by her love for soccer, where she enjoys both the thrill of the game and the camaraderie with her teammates. She excels in school and finds joy in learning new things. In her free time, she loves listening to her favorite tunes, watching superhero movies on TV, and taking care of her bearded dragon, Mrs. Stone.

Alexander has been taking lessons since 2016. His musical journey began with the piano; in 2023 he transitioned to drums. He excels in academics and takes pride in his studies. In his free time, he enjoys engaging in political discussions and brings a delightful sense of humor to any gathering. When he's not engrossed in intellectual pursuits, you'll find him immersed in the world of video games. He is a remarkable young man who combines academic prowess, musical talent, and a playful spirit.

Claudia

Claudia has been taking lessons since 2016. She began her musical journey with the guitar but now divides her time between the guitar and drums. Claudia excels in her studies and is always eager to learn new things. In her free time, she enjoys reading. She is also athletic and loves to push herself at CrossFit when she's not studying, reading, playing music, or texting her friends.

ARTIST OF THE MONTH TAYLOR SMITH

Born in 1989, the songstress had a fairly normal childhood, spending her early years on a Christmas tree farm with her parents and younger brother. At 14, the family moved to Nashville, Tennessee, so Swift could pursue her dreams of becoming a country musician.

She is a multi-Grammy award-winning American singer/songwriter who, in 2010, at the age of 20, became the youngest artist in history to win the Grammy Award for Album of the Year. In 2011, Swift was named Billboard's Woman of the Year.

Swift's philanthropic efforts exemplify the transformative power of generosity and compassion. From her support for education to her advocacy for equality and social justice, Taylor's contributions transcend monetary donations, touching hearts and igniting change in communities worldwide. <u>Click here</u> for her video of "I Can Do It With A Broken Heart".

TEACHER OF THE MONTH BABAK SEBATIAN

Babak has more than 25 years of experience teaching music, and, in addition, he plays in the Auburn Symphony and the TOCCATA-Tahoe Symphony Orchestra and Chorus as a first violinist.

He began playing violin at age 11 and studied western classical and Persian traditional music with multiple instructors, including Maestro Asadollah Malek and Maestro Shoja'eddin Lashkarloo. He has an associate's degree in music and also trained in Vienna with Professor Bijan Khadem-Missagh. He has led many orchestras made up of his students and musicians and has collaborated with multiple ensemble orchestras and composed music as well. He will be performing on October 5th and 6th with the Auburn Symphony—Masterworks I: A Night at the Movies for more information click here.

Practicing is Fun: Tips for Young Musicians

Mastering your instrument takes dedicated time and thoughtful practice. Whether you are an experienced musician or just starting, finding ways to make your practice more enjoyable can turn your routine from boring to inspiring. Click here for a few creative ways to make your practice time more fun, helping you stay motivated about learning your instrument.

It has been brought to our attention that parents have been parking in the Reserved Parking Spaces for Crown Dental located across from the Natomas School of Music, if you could please refrain from doing so we'd appreciate it! Thank you!

BEFORE I GO TRICK AND TREATING I'LL BE LEAVING A REVIEW. DON'T BE AFRAID JUST CLICK HERE!!
