

Student Spotlight - Sophia

Sophia has been taking voice lessons with Ms. T. since 2020. She recently graduated from 8th Grade at Our Lady of Grace in West Sacramento. A straight "A" student, who was active in student council, played basketball, volleyball, track and cross country. She also made time to stay dedicated to her passion of music, by practicing her vocals daily and recently taken up guitar. She will be attending St. Francis High School in the Fall. She also is very thankful to her teacher Ms. T. and the Natomas School of Music for helping to foster her love of music!
