Teacher Spotlight Zoe

Zoe grew up in Woodland and began learning the trombone at age 9.

Throughout grade school, Zoe performed in all sorts of different groups, such as the Norcal and Allstate honor bands, as well as small jazz groups and pit orchestras for musical theatre. She also performed in venues such as Carnegie Hall, the Kennedy Center, Chicago Symphony Hall, and the Lincoln Center.

She received classical training in trombone at California State University in Northridge and the University of Denver. While residing in Denver, Zoe performed with the orchestras, choirs, and brass ensembles for worship services as well as charity concerts and volunteer events. She loves teaching and hopes to make an impact on her students as her teachers did with her.

Student of the Month Antonio

Antonio has been taking piano and voice lessons since 2022. His current teacher Ms. T. is an experienced, knowledgeable, and positive instructor who makes his lessons interesting and fun. He enjoys and feels confident learning to play piano and to sing in a positive atmosphere. He's always eager to attend his music classes.

Besides music, Antonio enjoys learning and memorizing facts about geography, history, and animals. He also loves to play basketball, travel, and nature.
